

Terms and Conditions of using our website.

Introduction

Thank you for visiting our website. This website is owned by MicrosensDx Limited whose principal business address in the United Kingdom is Unit 204 Cambridge Science Park, Cambridge, CB4 0GZ, United Kingdom. MicrosensDx Limited is a company registered in England and Wales with company number 03797261.

Your use of our website is subject to the following terms and, by using our website, you agree to be legally bound by them. This applies whether you register your details with us or not. Please read these terms carefully before using our website. If you do not agree to these terms, please do not use our website.

We may revise these terms from time to time. Please read these legal statements from time to time to review them, since you are legally bound by them. Certain areas of our website may be subject to additional terms, or terms that supersede these ones. You will be informed of this on those pages. You may use our website without registering your details with us.

Privacy Statement

We regard your privacy as important and the details that we collect from you, if you have chosen to provide them to us, is to enable us to send you information about products and services in which you register an interest. Please view our Privacy Policy for further information on our policy.

By providing us with your information you consent to us processing it for the purposes outlined in our Privacy Policy.

It is a requirement of using this site that at all times you will provide true and accurate details in registration forms and via other information request points on our site and also that you do not share any log in details with third parties without our express consent. You agree to notify us immediately if you suspect that a password used by you has been used by a third party.

If you provide or MicrosensDx has reasonable grounds to suspect that you have provided any information that is untrue, inaccurate, not current or incomplete, MicrosensDx has the right to suspend or terminate your use of our site and refuse any and all current or future use of the site (or portion of the site.)

Intellectual Property Notice

Unless stated otherwise, MicrosensDx is the owner or the licensee of all intellectual property rights in our website. These works are protected by copyright laws and treaties around the world. All such rights are reserved.

You are permitted to print and download extracts from our website for your own use, provided that:

- you do not modify any documents or their related graphics in any way.

- you do not use any illustrations or any graphics separately from any accompanying text.; and
- you include an acknowledgement alongside the copied material noting MicrosensDx as the author and publisher.

You expressly agree not to reproduce, duplicate, copy, sell, resell, or exploit for any commercial purposes, any portion of this website. This includes any collection or use of any product listings, descriptions of our products or services, our pricing or any access to, and downloading of details of any third party who may be identified from any of the contents of our website.

You are granted a non-exclusive and revocable licence to create a hyperlink to our home page. Your hyperlink must not portray MicrosensDx, our products and services, our agents, associates and affiliates in an offensive manner, or be misleading or false. You may not use our trademarks as part of your link without our written agreement for you to do so.

You acknowledge that MicrosensDx may terminate or suspend your right to use this website if you breach, or if MicrosensDx has reasonable grounds to suspect that you have breached the provisions of these Terms of Use.

Disclaimer

While we endeavour to ensure that the information on our website is correct, MicrosensDx does not make any warranties or representations about the accuracy and completeness of the material on it. MicrosensDx may make changes to the material on the website, or to the products at any time without notice. The information and materials contained on this website is preliminary and subject to change. These materials may contain forward-looking statements, which relate, inter alia, to Company's proposed strategy, plans and objectives. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond the control of Company. Accordingly, you should not rely on any forward-looking statements. You are urged to seek appropriate advice before proceeding on the basis of any information.

The material on our website may be out of date, and MicrosensDx makes no commitment to update such material. MicrosensDx expressly disclaims liability for errors and omissions in the contents of our website.

The material on our website is provided "as is", without any conditions, warranties or other terms of any kind. Accordingly, to the maximum extent permitted by law, we provide you with our website on the basis that MicrosensDx excludes all representations, warranties, conditions and other terms (including, without limitation, the conditions implied by law of satisfactory quality, fitness for purpose and the use of reasonable care and skill which, but for this legal notice, might have effect in relation to the website.

MicrosensDx accepts no responsibility for any loss which may arise from reliance on any information contained on this website or any other sites linked from this site. You agree that

MicrosensDx is excluded from all liability of any kind arising from any third-party content or information on or linked from this site.

The content on our site is provided for general information only. It is not intended to amount to advice on which you should rely. You must obtain professional or specialist advice before taking, or refraining from, any action on the basis of the content on our site. You agree that the use of information obtained or downloaded from or through this website is at your sole discretion and risk. We cannot answer any unsolicited emails relating to personal healthcare issues.

Our trademarks

RapiPREP® is a trademark of MicrosensDx and is registered as such in the United Kingdom and in other countries.

Use of the MicrosensDx Website

When you use our website, you may not use it in any way that may be technically harmful (such as infecting it with computer viruses, logic bombs, Trojan horses, worms or any other harmful components, corrupted data, malicious or harmful software).

You may not use our website for any fraudulent or illegal purpose or in connection with a criminal offence.

You may not post or transmit material to, from or through our website that may be threatening, defamatory, obscene, indecent, seditious, offensive, pornographic, abusive, liable to incite racial or religious hatred, discriminatory, scandalous, inflammatory, blasphemous or that may infringe the rights of any third party.

You may not cause annoyance or inconvenience to any person by using our website.

MicrosensDx shall co-operate with any law enforcement authorities or court order requesting or directing MicrosensDx to disclose the identity or locate anyone posting any material in breach of any of these provisions.

Completing Forms on the MicrosensDx Website

If you choose to provide us with information via a form on the MicrosensDx website, we will use that information only to complete the request specified by that form, or to update you regarding similar products and services.

- If you choose to complete any MicrosensDx form, we will collect your information by an automated process.
- We will not share your information with any third party, other than as described within our [Privacy Policy](#).
- We do not create individual profiles with the information that you have provided.
- We will retain the information provided by you only for so long as is reasonably appropriate under the Data Protection Act 1998.
